A wooden pier with white railings extends from the foreground into the distance, leading towards the ocean. The sky is a vibrant blue with scattered white clouds. The water is a clear, light blue. The pier's wooden planks and the shadows cast by the railings create a strong sense of perspective.

The Morval Foundation

The trustees of the Morval group of charities, including The Ruston Bequest and The New Chickering Fund, and the trustees of The New Beechfield Fund, are very pleased to announce that they have merged their activities into one organisation under one administrative board. This will enhance their ability to be of service to the Christian Science movement.

It is still our primary objective to help senior and deserving Christian Scientists to stay in their own homes, but any Christian Scientist who has financial challenges may feel free to apply for an application form, which is available from the Administrator. Each application will be considered on its own merits. Applicants should normally be in receipt of any state benefits to which they are entitled.

If you know of any dedicated Christian Scientists who may benefit from our help then please encourage them to ask for an application form. Alternatively, if you would like to support this activity, then your donation will always be welcome and may be sent to the Administrator.

Dogs Deserve Dialogue

by Judy Moore

This book teaches you a practical method, based on kindness and love, for eliminating the underlying causes of all forms of bad dog behaviour without punishment. Because the method addresses the underlying causes, it is simple, fast, foolproof and fun. The author's love of Christian Science bases this theory and this book.

The Queens and Kings School, Port Harcourt, Nigeria

We are very grateful to the readers of The Art Store Bulletin who have generously supported us in the past.

These are challenging times in Nigeria with lower oil prices and shortage of hard currency (dollars and sterling). Inflation is rampant with increases in petrol prices.

The School is finding it difficult to keep on track when many of our parents are not able to pay the fees for their children. Staff salaries are a major cost each month.

We know that the School is capable of blessing many children in Port Harcourt and we are grateful for the recent increase in pupil numbers. Last August the School carried out a successful promotion offering free holiday lessons for local children. This promotion will be repeated this year from the 8th to the 31st August. The Queens and Kings will be on holiday from the 16th July to the 11th September.

The character education spiritual quality for July is Kindness. The quality for August is Understanding and for September it is Diligence.

Since the beginning of May The Queens and Kings School have been running weekly Quizzes for all the students. These have generated much interest and excitement. The overall winner was Basic Five who scored 37 points.

The mesmerism of negative influences must be broken. The false belief of restricted income has to yield to the abundance of God's love and provision for all His children. We can all work together to dispel anything that seeks to hinder the advancement of the school. We can rejoice because of all the good the school has already accomplished.

Please support The Queens and Kings School with your prayers and by sending cheques made payable to "The Queens and Kings School" addressed to:
